**MEMORANDUM FOR: Assistant Attorney General  
Internal Security Division  
Department of Justice  
Washington 25, D. C.**

**SUBJECT:**

**Document Concerning**

25X1

1. This will confirm arrangements made by my office; Mr. David Hyde, Assistant U. S. Attorney in New York; and Mr. Eddins of your office regarding the handling of the report of the  interview which we had sent to you on 13 October 1961. It has been agreed that the document will be sealed and retained in New York, by the Clerk of the Court, in a secure manner consistent with its classification until Judge Harlands decides that it is no longer needed in New York.

2. Should the matter go up to the Court of Appeals, we, of course, would like to be forewarned in sufficient time to make additional arrangements for the security of the document.
